January 2026

### Product Specifications

|                   |                                                                                                           |
|-------------------|-----------------------------------------------------------------------------------------------------------|
| Product Name      | Follistatin                                                                                               |
| CAS Number        | N/A                                                                                                       |
| PubChem CID       | N/A                                                                                                       |
| Molecular Formula | N/A                                                                                                       |
| Molecular Weight  | 3780.0 g/mol                                                                                              |
| Storage           | Powder: -20°C 3 years; 4°C 2 years; 15°C 3 months. In solvent: -80°C 6 months; -20°C 1 month; 10°C 1 week |

### Test Results

| Test          | Specification                         | Result   |
|---------------|---------------------------------------|----------|
| Appearance    | White to off-white lyophilised powder | Conforms |
| Purity (HPLC) | ≥ 98.5%                               | 99.44%   |
| TFA Content   | < 0.50%                               | Conforms |
